

Faculty Members:-

Students are the foundation of an educational institute but our learned gurus are our best assets. We have great strength of well qualified faculties...

The faculty is always willing to guide the students and are specially trained to understand student's psychology, analyze their problems and put across difficult- to- understand concept with ease, thus making the students learning process smooth and easy. Continuous faculty developments the most important mission at Doon Public School. The faculty is not only the strength & depth in their respective fields, but also has a very broad range of expertise. This gives us a distinctive profile that school students find advantageous.
